I have also received your approval to table before them, as a basis for discussion, the papers for Highest Priority Requirements which we have forwarded to the Deputy Director/Plans, CIA, which included the search program and the Navy dissent, it being our view that this would be provocative of ideas and permit the most profitable exchange of views.

3. I have queried [REDACTED] the acceptability of the foregoing proposal and am informed [REDACTED] would welcome the participation of the ARC members. It would be helpful if, at the ARC meeting on Friday, you could let me know whether a representative of your agency, that is you or your alternate, will be joining in these discussions. For
